

COMMUNITY CONFERENCE

GOT SLUDGE?

The Rest of the Sewage Sludge Story: Facts, Food & Protecting Your Family

June 13, 2009 9:00am – 12:00pm
Kutztown University, Boehm Hall, Rm. 145
Kutztown, PA 19530

Invited guest speakers include:

Your Safety – Dr. Caroline Snyder is nationally recognized for her expertise in science, bureaucracy and the effects of sewage sludge on health & community rights. She will discuss the dangers and success stories surrounding sludge.

Local Governance - Don Rubinkam & Jeff Faust, East Brunswick Township supervisors from Schuylkill Co., PA. They will discuss 40 years of experience in the waste water disposal industry & ordinances designed to protect their community.

FREE ADMISSION – DONATIONS ACCEPTED
